

JFCOM Training Assessment Process

CDR Peter J. Brennan, USN

“The USJFCOM Joint Training and Exercise Management Working Group (JJTEMWG) is the staff lead under the J7 for development of our Joint Mission Essential Task List (JMETL), JTP and eventually our assessment.

- JTS Assessment

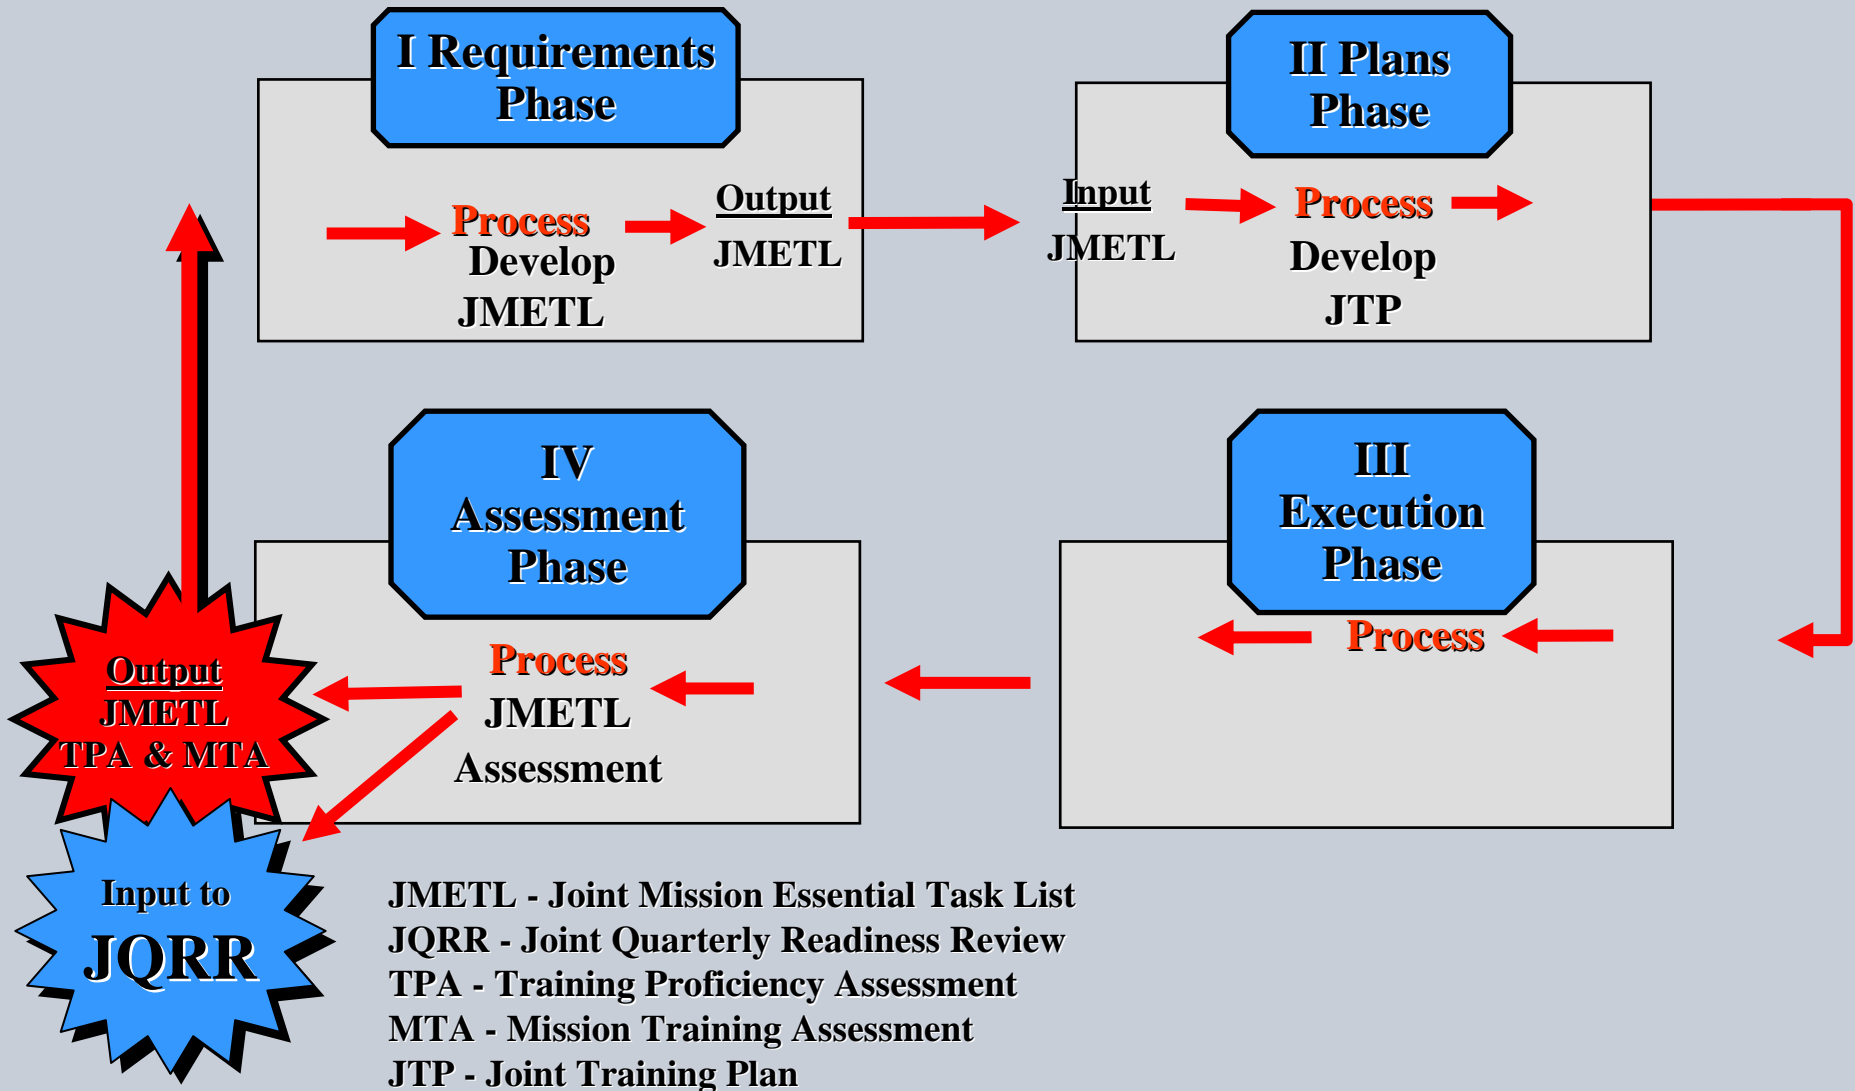

No formal process

- JMRR Readiness Analysis

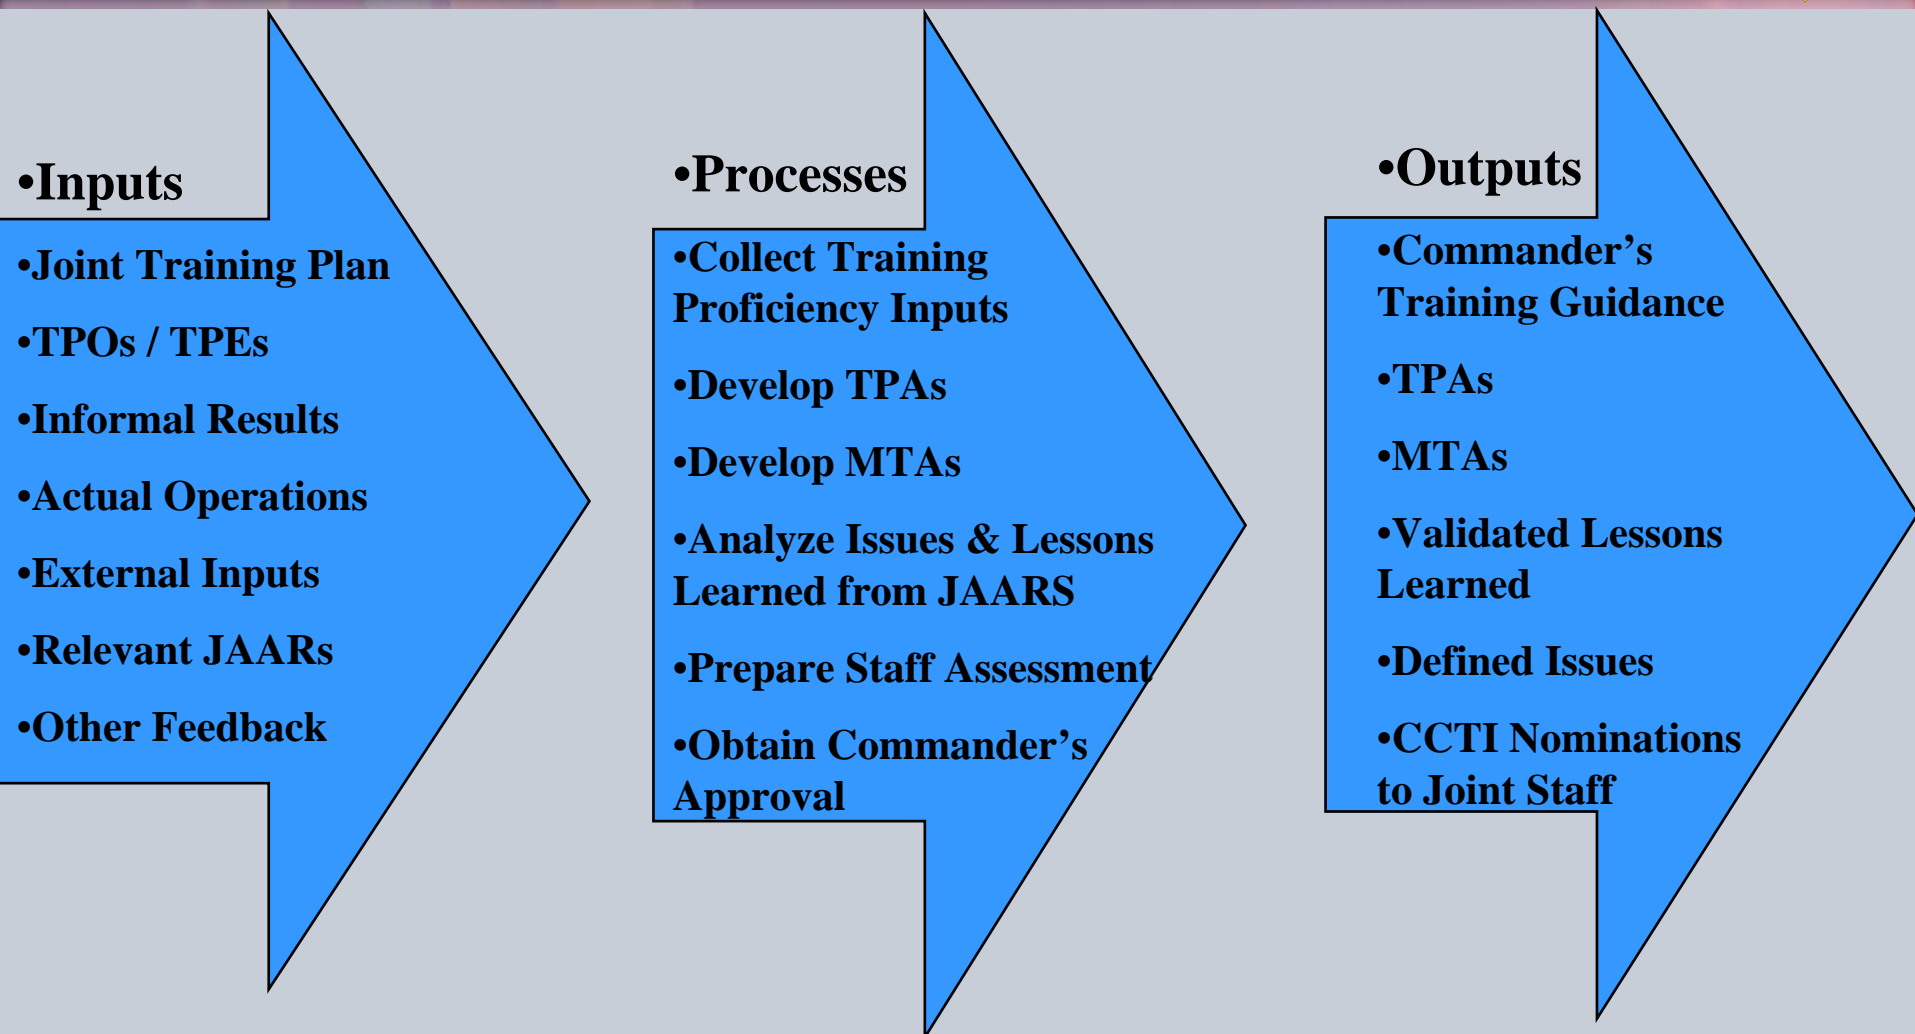

J32 → J3 → Dep Cdr → Commander

J3 conducts operational assessment and reports JMRR to Commander.

Joint Training Process

Phase IV Inputs, Processes, and Outputs

•Inputs

- Joint Training Plan
- TPOs / TPEs
- Informal Results
- Actual Operations
- External Inputs
- Relevant JAARs
- Other Feedback

•Processes

- Collect Training Proficiency Inputs
- Develop TPAs
- Develop MTAs
- Analyze Issues & Lessons Learned from JAARS
- Prepare Staff Assessment
- Obtain Commander's Approval

•Outputs

- Commander's Training Guidance
- TPAs
- MTAs
- Validated Lessons Learned
- Defined Issues
- CCTI Nominations to Joint Staff

TPO – Task Performance Observation
TPE - Training Proficiency Evaluation
JAAR – Joint After Action Report

TPA - Training Proficiency Assessment
MTA - Mission Training Assessment

CCTI - CJCS Commended Training Issues

Classified by: No One
Reason: Not Needed
Declassify on: Not Applicable

Phase IV Links to Phase I

Phase IV, Assessment

- Informal Lessons Learned
- JMRR Input
- Battle Staff Reports
- TPAs
- MTAs

Phase I, Requirements

- Essentiality Criteria
- Commander's Guidance
- None
- JMETL Preparation
- Mission Analysis,
Specified / Implied Tasks,
Essentiality Criteria

JMRR – Joint Monthly Readiness Review

TPA - Training Proficiency Assessment

MTA - Mission Training Assessment

- 1. Draft and approve “Operational-Level” JMETL to meet requirements of the new Joint Quarterly Readiness Review (New JMRR).**
- 2. Assign JMET’s to Functional Area Representatives to develop DOTMLPF conditions and standards as well as potential “way and means” solutions. Current JMRR process focuses only on ends.**
- 3. The new JQRR may energize JTS Assessment Program.**

- 4. TPA and MTA construction must be accomplished semi-annually to coincide with the JQRR.**
- 5. A collection data base of TPOs and TPEs is crucial for executing the assessment program.**

TPA - Training Proficiency Assessment

MTA - Mission Training Assessment

TPO – Task Performance Observation

TPE - Training Proficiency Evaluation

6. Each J-Code must assign a representative to the Command's Assessment Working Group.

7. A New Assessment Branch may be necessary –

-- TPOs / TPEs

-- Real World Ops

-- Lessons Learned

-- TPAs / MTAs

-- Exercises

TPO – Task Performance Observation

TPE - Training Proficiency Evaluation

TPA - Training Proficiency Assessment

MTA - Mission Training Assessment
